

## REFRESHER COURSES

**October 5, 2019 (1-5pm)**

**Title: The Birds and the Bees: Teaching Sex Education to Our Early Learners**

Children are curious especially on how their bodies work. The way you talk about sexuality sends messages that last a lifetime.

**Reg. Fee:** P500/head, inclusive of handouts, snacks, and certificate.

**November 23, 2019 (1-5pm)**

**Title: Brain Development: First Things First**

**An early brain development has a lasting impact on a child's ability to learn. How can we help our children's brains to reach their full potential.**

**Reg. Fee:** P500/head, inclusive of handouts, snacks, and certificate.

**February 22, 2020 (1-5pm)**

**Title: Performing Arts, Music, Dance and Theatre in the Early Years**

Research has documented how children gain not only artistic skills but improve academic, social, emotional and spiritual as well.

**Reg. Fee:** P500/head, inclusive of handouts, snacks and certificate.

## MMP PROGRAMS AND SERVICES

**Early Childhood Education Care & Development Program** - MMP works in partnership with churches, non-government/private organizations, individuals, community organizations in setting-up or enriching a developmentally appropriate early childhood education program.

**Teachers/Administrators Training and Laboratory** - Developmentally appropriate trainings and seminars are specially designed to equip teachers/administrators and partners with the latest and most effective skills and strategies in Early Childhood Education.

**Guidance Services** - Guidance Services are given to empower the productivity of MMP area partners.

**Parent's Development Program** - Seminars and workshops designed to strengthen the relationship between a child's home and school life to provide consistency in the childcare program and in the child's life.

**Publications** - MMP publishes excellent and developmentally appropriate books and materials in early childhood education, using the integrated and thematic approach for Nursery, Kinder & Prep.

**Training Certificate In Early Childhood Care And Education** - CHED accredited Early Childhood Education Program, designed to prepare students to undertake holistic and transformational early childhood education.

**Networking** - MMP connects its partner churches to resource agencies. It shares information and provides encouragement to those having the same or similar vision and burden for the poor.

**Book Scholarship (BS) & Supplies Scholarship (SSP)**

## 2019 REFRESHER COURSES

**August 24, 2019 (1-5pm)**

**Title: Infants and Toddlers in a Child Care Setting**

The first three years is the most important in a child's life. It is critical that any childcare program is based on what is developmentally appropriate.

**Reg. Fee:** P500/head, inclusive of handouts, snacks, and certificate.

Bring extra money to buy curriculum for toddlers at a discounted promotional price.

*"We make the future sustainable when we invest in the poor, not when we insist on their suffering."*

*"The first 5 years has so much to do with how the next 80 turn out"*  
- Bill Gates
