***Do you know why you teach children? Do you know what the MASTER teacher has called you to do? Would you like to see God use you beyond your wildest dream? If so... come join many others just like yourself, your peers, who also love children and want to learn more refined ways to teach "Little Learners".***

**Special Seminar Lecture  
March 7, 2020 (9am-4pm)**

**Title:** Early Childhood Trauma: It's Impact to families

Adults often say things like, "He was so young when that happened", "He won't even remember it as an adult." Childhood trauma can have a lifelong effect. Kids are resilient, but they're not made of stone. With the right family support and reassurance, Recovering is very much possible...

**REFRESHER COURSES**

**AUGUST 15, 2020 (1-5pm)**

**TOPIC: Creating a Culture of Literacy in Early Childhood Education**

What does a school with culture of literacy look like? From the atmosphere and décor of the room, to interactions with classmates, teachers and significant adults, every element of the classroom is designed to bring the learner in the journey of literacy development!

**Reg. Fee:** P500/head, inclusive of handouts, snacks and certificate

**OCTOBER 10, 2020 (1-5pm)**

**TOPIC: Raising a Sensory Smart Child: Guiding Children with ADHD, Autistic and Sensory Processing Disorder**

Sensory issues are very real to the child experiencing them! These kids are not breaking down in school because their parents and teachers are doing a bad job or because they are bad kids, "it's just that their brain is wired differently"!

**Reg. Fee:** P500/head, inclusive of handouts, snacks and certificate

**NOVEMBER 14, 2020 (1-5pm)**

**TOPIC: Character Building, Love of the Country, Christian Values: In Early Childhood Curriculum**

Preschool is not just about academic concepts. It is also a place where a foundation can be built for becoming noble adults ..... children with excellent character, Christian values and love of the country. Schools should intervene early by teaching these concepts not in isolation from the rest of the child's life.

**Reg. Fee:** P500/head, inclusive of handouts, snacks and certificate

**FEBRUARY 13, 2021 (1-5pm)**

**TOPIC: Puppetry & Ventriloquism in Early Childhood Classroom**

Young children are naturally intrigued by puppets as their eyes immediately light up, especially if the puppet seems to be talking. It enhances their imagination and creativity because they believe they are real and connect with them in a unique way. Learning how to do puppetry and ventriloquism is surely a challenge for those who works with Children!

**Reg. Fee:** P500/head, inclusive of handouts, snacks and certificate

**ALL SEMINARS HELD AT:**

To be announced at time of RSVP advertisement, or call ahead for details.
