

## REFRESHER COURSES cont...

# FEB. 21, 2020

**Topic I: KIDPRENEUR and the 21<sup>st</sup> Century Skills**  
(9am - 12noon)

"Research has shown that today's children need more than the traditional 3R's of learning, namely - Reading, Writing and Arithmetic, but there is a need to integrate the key 21<sup>st</sup> century skills of collaboration, creativity, communication and critical thinking into the classroom to prepare young learners for increasing competitive and global challenges."

**Topic II: 2 in 1 - Reading Effectively and Reading Recovery** (1pm - 5pm)

Teaching reading fast versus reading intervention. If a child can't read fast, then early intervention is needed.

**Venue:** Baptist Bearer Learning Center  
Magsaysay St., Brgy. Roxas Solano, Nueva Vizcaya

**Reg. Fee:** Php500/head, inclusive of handouts, lunch, snacks, and certificate.

We welcome partners who would like to set up/enrich a Preschool or Day Care Program.

## MMP Programs and Services

**Early Childhood Education:** We establish children learning centers in vulnerable communities. We provide curriculum, publications, specialized hands on services, developed and designed by our professional staff, in partnership with local universities.

**Training and Workshops:** Specially designed courses and seminars to equip teachers and children advocates with the latest and most effective teaching skills, strategies, materials and methods in child care. Exclusive hands on experience included.

**Parental Education:** Seminars and workshops designed to strengthen the relationship between a child's home and school life to provide consistency in the childcare program.

**Reading Tutorial Program (for Struggling Readers and Non-Readers):** Special reading intervention program for children who have difficulty reading in school setting.
