Supporting Early Literacy and Language Development

January 25, 2025 (1pm to 5pm)

The initial five years of a child's life represent a crucial period that lays the foundation for their early literacy and language development. Extensive research underscores the pivotal role of teacher-parent-child interactions in nurturing and advancing this developmental journey. Discover effective strategies that both educators and parents can employ to foster and enrich language and literacy skills through diverse and creative approaches.

Registration Fee: Php500 (includes E-handouts and certificate)

Revitalizing your Sunday School Classes

March 15, 2025 (1pm to 5pm)

As a Sunday school teacher, you serve as the conduit through which the word of God is imparted. Your role is among the most impactful ministries within the church community. Research underscores that for children to be holistically nurtured through Sunday school classes, they cannot be relegated to passive and sterile environments. Therefore, let us embark on revitalizing our Sunday School Classes!!!

Registration Fee: Php500 (includes E-handouts and certificate)
